Dear Mr. Steele:

Re: Tentative Approval, Mine and Reclamation Plan, Nephi Gypsum
Quarry, M/023/011

The revised mine and reclamation plan for the Nephi Gypsum Quarry is hereby tentatively approved. The three variances to the reclamation standards are also approved. An abbreviated version of the plan will now be published in a local newspaper for a 30 day public comment period.

We will require that you post a \$15,000 reclamation bond on the site. If we receive this bond prior to January 28, 1988 we will cancel the scheduled Board Hearing concerning the Nephi Gypsum Quarry.

Please contact Frank Filas or Dave Wham of my staff if you should have any questions.

Sincerely,

Lowell P. Braxton
Administrator, Mineral Resource
Development and Reclamation Program
